<110>	Has your company received its ETC certification from the FCC?	(yes / no )	<input type="radio"/> <input checked="" type="radio"/>
<111>	If your answer to Line <110> is yes, do you have an existing §54.202(a) "5 year plan" filed with the FCC?	(yes / no )	<input type="radio"/> <input type="radio"/>

If your answer to Line <111> is yes, please file a progress report, on line <112> delineating the status of your company's existing § 54.202(a) "5 year plan" on file with the FCC, as it relates to your provision of voice telephony service.

613007ak112.pdf

<112> Attach Five-Year Service Quality Improvement Plan or, in subsequent years, your annual progress report filed pursuant to 47 C.F.R. § 54.313(a)(1). If your company is a CETC which only receives frozen support, your progress report is only required to address voice telephony service.

<113> Maps detailing progress towards meeting plan targets  
 <114> Report how much universal service (USF) support was received  
 <115>  
 <116>  
 <117>  
 <118> Provide an explanation of network improvement targets not met in the prior calendar year.

Select the appropriate responses below (Yes, No, Not Applicable) to note compliance as a recipient of Incremental High Cost support, High Cost support to offset access charge reductions, and Connect America Phase II support as set forth in 47 CFR § 54.313(b),(c),(d),(e). The information reported on this form and in the documents attached below is accurate.

**Incremental Connect America Phase I reporting**

- <2010> 2nd Year Certification 47 CFR § 54.313(b)(1)(i) - Note that for the July 1 2016 certification, this applies to Round 2 recipients of Incremental Support
- <2011> 3rd Year Certification 47 CFR § 54.313(b)(1)(ii) - Note that for the July 1 2016 certification, this applies to Round 1 recipients of Incremental Support
- <2022> Recipient certifies, representing year two after filing a notice of acceptance of funding pursuant to 54.312(c), that the locations in question are not receiving support under the Broadband Initiatives Program or the Broadband Technology Opportunities Program for projects that will provide broadband with speeds of at least 4 Mbps/1Mbps - 54.313(b)(2)(i). Round 2 recipients only.
- <2023> The attachment on line 2024 includes a statement of the total amount of capital funding expended in the previous year in meeting Connect America Phase I deployment obligations, accompanied by a list of census blocks indicating where funding was spent. This covers year two - 54.313(b)(2)(ii). Round 2 recipients only.
- <2024A> Round 2 Recipient of Incremental Support?
- <2024B> Attach list of census blocks indicating where funding was spent in year two - 54.313(b)(2)(ii). Round 2 recipients only.
- <2025A> Round 1 or Round 2 Recipient of Incremental Support?
- <2025B> Attach geocoded Information for Phase I milestone reports (Round 1 for year three and Round 2 for year two) - Connect America Fund , WC Docket 10-90, Report and Order, FCC 13-
- <2015> 2016 and future Frozen Support Certification 47 CFR § 54.313(c)(4)

4005 Rural Broadband Experiment

Authorized Rural Broadband Experiment (RBE) recipients must address the certification for public interest obligations, provide a list of newly served community anchor institutions, and provide a list of locations where broadband has been deployed.

Public Interest Obligations – FCC 14-98 (paragraphs 26-29, 78)

Please address Line 4001 regarding compliance with the Commission’s public interest obligations. All RBE participants must provide a response to Line 4001.

**4001.** Recipient certifies that it is offering broadband to the identified locations meeting the requisite public interest obligations consistent with the category for which they were selected, including broadband speed, latency, usage capacity, and rates that are reasonably comparable to rates for comparable offerings in urban areas?

Community Anchor Institutions – FCC 14-98 (paragraph 79)

**4003a.** RBE participants must provide the number, names, and addresses of community anchor institutions to which they newly deployed broadband service in the preceding calendar year. On this line, please respond (yes – attach new community anchors, no – no new anchors) to indicate whether this list will be provided.

If yes to 4003A, please provide a response for 4003B.

4003b. Provide the number, names and addresses of community anchor institutions to which the recipient newly began providing access to broadband service in the preceding calendar year.

Name of Attached Document Listing Required Information

Broadband Deployment Locations – FCC 14-98 (paragraph 80)

4004a. Attach a list of geocoded locations to which broadband has been deployed as of the June 1st immediately preceding the July 1st filing deadline for the FCC Form 481.

Name of Attached Document Listing Required Information

4004b. Attach evidence demonstrating that the recipient is meeting the relevant public service obligations for the identified locations. Materials must at least detail the pricing, offered broadband speed and data usage allowances available in the relevant geographic area.

Name of Attached Document Listing Required Information

**Cordova Telephone Cooperative***Statement Regarding Compliance with Service Quality Standards and Consumer Protection Rules*

47 CFR § 54.313(a)(5)

Form 481, Line 510

Cordova Telephone Cooperative (CTC) is an incumbent local exchange carrier operating in the state of Alaska, and is an eligible telecommunications carrier (ETC) designated by the Regulatory Commission of Alaska (RCA). As such, CTC is subject to the regulatory authority of the RCA and operates under the relevant RCA rules (Alaska Administrative Code) and laws of the state of Alaska.

CTC is subject to the service quality standards and consumer protection rules adopted by the RCA and that are applicable to ILECs in the state of Alaska. These rules are contained in, but are not limited to, 3 AAC 52.200 - 52.340, as adopted and enforced by the RCA.

CTC ensures compliance with all applicable service quality and consumer protection rules through RCA enforcement, which entails the operation of an effective customer complaint process. CTC, by rule, is required to respond to customer complaints and other service quality-related inquiries from the RCA in a reasonable time frame. CTC consistently meets or exceeds all RCA-adopted standards, and reports to this effect via all required RCA processes.

CTC's local tariff also addresses customer service quality and protection and is available for review in its business office. In addition, customers are notified of their rights under the RCA's quality of service and consumer protection rules by documentation provided at the initiation of service.

Finally, CTC has established internal procedures to ensure compliance with the Federal Communications Commission's Customer Proprietary Network Information (CPNI) rules that include, but are not limited to, periodic employee training and maintenance of written company CPNI procedures. CTC certifies its compliance with the Commission's CPNI rules by making annual filings as required in 47 CFR § 64.2009(e).

**Cordova Telephone Cooperative***Statement Regarding the Ability to Function in Emergency Situations*

47 CFR § 54.313(a)(6)

Form 481, Line 610

Cordova Telephone Cooperative (CTC) is an incumbent local exchange carrier operating in the state of Alaska, and is an eligible telecommunications carrier (ETC) designated by the Regulatory Commission of Alaska (RCA). As such, CTC is subject to the regulatory authority of the RCA and operates under the relevant RCA rules (Alaska Administrative Code) and laws of the state of Alaska.

CTC is subject to RCA rules regarding the ability to remain functional in emergency situations by (1) maintaining at least eight hours of backup power to ensure functionality without local alternating current (AC) commercial power, (2) establishing the ability to reroute traffic around damaged facilities and to manage traffic spikes resulting from emergency situations, and (3) establishing procedures for employees to follow in an emergency to prevent or minimize interruption or impairment of telecommunications services.

CTC has a number of portable generators capable of providing the required level of backup power, and that can be deployed as necessary to CTC's switching and remote sites. CTC's network is capable of rerouting traffic around damaged facilities, although this ability is not absolute and is weather dependent as most of its remote sites are accessible only by plane or helicopter. However, CTC follows all industry standard practices in ensuring its network remains functional during different types of emergency situations.

## **Cordova Telephone Cooperative**

### *Statement Regarding Compliance with Tribal Engagement Rules*

47 CFR § 54.313(a)(9)

Form 481, Line 920

Cordova Telephone Cooperative (CTC) is an incumbent local exchange carrier operating in the state of Alaska, and is an eligible telecommunications carrier (ETC) designated by the Regulatory Commission of Alaska (RCA). As such, CTC is subject to the regulatory authority of the RCA and operates under the relevant RCA rules (Alaska Administrative Code) and laws of the state of Alaska.

By Federal law passed by the United States Congress decades ago all of Alaska has been deemed and recognized as Native Lands for decades. All of our members in our small service area reside on native Lands. CTC does not discriminate in any way when serving the community of Cordova and therefore treats all people equally and all customers and businesses the same regardless of title, creed, religion, affiliation or needs. Each person in Cordova has access to exactly the same services as every other person in Cordova and within our service area. Our marketing efforts ensure that all businesses and individuals are well aware they can purchase all data transport, Life Line and Link Up or wireless or hardline services the same as their neighbors.

The Tribal areas served by CTC are: Cordova, Alaska.

In accordance with our current business practices, and those in effect prior to the adoption to the FCC's Tribal Engagement rules, CTC reached out to its Tribal villages on multiple occasions and engaged or attempted to engage with the applicable Alaska Native Village officials regarding the following topics:

- (1) A needs assessment and deployment planning with a focus on Alaska Native Village anchor institutions;
- (2) Feasibility and sustainability planning;
- (3) Marketing services in a culturally sensitive manner
- (4) Rights of way processes, land use permitting, facilities siting, environmental and cultural review processes; and
- (5) Compliance with Tribal business and licensing requirements.

CTC Continues to provide telephone and internet services to the Native Village of Eyak, the Ilanka Health Clinic and the Ilanka Cultural Center and the Eyak Corporation.

CTC continues to support the Native Village of Eyak's Cordova Wind assessment project by donating space and power to the anemometers located at two of our remote sites.

Throughout 2015 CTC has visited the offices of Alaska Native Village officials in efforts to assess service needs and market its services in a culturally sensitive manner. Our outreach efforts included assistance in promoting a number of Native Village of Eyak's events such as the Annual Sobriety Celebration, its Member Appreciation Dinner and its monthly member meetings. CTC helped promote the Eyak Preservation Council's Northern Edge and other environmental education efforts. Along with monetary donations, assistance was provided via free advertising on the Roku channel hosted by Cordova Telephone Cooperative and its subsidiary, Cordova Wireless Communications (see attached ads and correspondence).

Finally, CTC continues to comply with two land lease agreement with the Native Village of Eyak commenced in 2004 and 2006. Both leases address environmental and cultural considerations, as well as permitting, siting and rights of way.

Native Village of Eyak cordially invites  
all Tribal Members and their families  
to attend the Annual TRIBAL  
MEMBER APPRECIATION  
DINNER!

The dinner will be held Wednesday,  
February 25<sup>th</sup> from 6-8pm at the Little  
Chapel. There will be prizes, games  
and great food!

Please call NVE at 7738 if you have  
questions.

SEP - 8 2015

072205

10,000 years in our Traditional Homeland, Prince William Sound, the Copper River Delta, and the Gulf of Alaska

Paul Kelly  
CEO  
Cordova Telephone Co-op  
PO Box 459  
Cordova, AK 99574

Dear Paul,

One of the missions of the Native Village of Eyak is to increase awareness in a world that is awash in alcohol and drugs. The NVE Sobriety Celebration is a light in the wilderness to many other people, Tribes and Communities giving them hope in the battle against substance abuse. We invite you to participate in the 22<sup>nd</sup> Annual Sobriety Celebration and Memorial Potlatch to be hosted in Cordova, Alaska on November 13<sup>th</sup> -15<sup>th</sup> 2015. This event encourages sobriety through celebration with native dancers from many Alaskan villages and educational speakers on the prevention of alcohol and substance abuse. Events include native dance groups in the schools, Sobriety Countdown, 12 Step meetings, Candle Light Vigil for those who have passed on from Substance Abuse, a potlatch, a ceremony honoring our Veterans and Native Arts and Crafts. By popular demand, traditional native dance groups will also perform on Friday night. Please note this year's theme is **"Learning from the past to create a better and brighter future"**.

We would like to thank you for your past assistance and ask for your continuing financial support for this spiritual and educational event. This event continues to grow each year and would not be possible without such generous sponsors as *Alyeska Pipeline Services, Trident Seafood Inc. Orca Adventure Lodge, Eyak Corporation ANTHC Health Consortium, Rural Cap, Chugach Alaska Corporation, Chugachmiut, Chitina Native Corporation, AHTNA Inc., Lynden Transport, Yukon Kuskokwim, Chinook Auto Rentals, Alaska Serigraphic, Mt St. Elias Dancers, Ke ex' Kwaan Dancers, Yees Ku Oo Dancers, Pete Hoepfner, Charlie Bunch, Alaska Commercial Company, Alaska Native Technologies and Seafood Sales.*

Along with a host of other local and state wide supporters Please join us in the effort to educate and to reduce the effects of alcohol and drug abuse in our communities. Your support makes it possible!

We are asking for your tax-deductible donation of \$250 to help make the 22<sup>nd</sup> Annual Sobriety Celebration the most exciting and spiritual event of this year. As more communities and people become aware of our celebration and want to join us in sobriety, our expenses for this event have continued to grow. Donated funds will be used to help provide travel for dance groups, speakers, supplies for the event, and promotional items. Your participation in this annual celebration is deeply appreciated by the Tribal Council, Sobriety Celebration Committee, staff and all of the participants. We thank you in advance for your consideration of our request and extend our best wishes. Your tax-deductible contribution will be listed in the 22<sup>nd</sup> Annual Sobriety Celebration program as well as featured in promotional advertising, website and Facebook. We hope to see you at the 22<sup>nd</sup> Annual Sobriety Celebration. Please check out our web site **nveyak.com**. If you have any questions please contact Belen Cook, Wellbeing Coordinator at the Native Village of Eyak 907-424-7738 or belen.cook@eyak-nsn.gov.

Respectfully,

Robert Henrichs

Paul  
Thank for your help

# Navy Northern Edge Training Temporary Maritime Activities Area

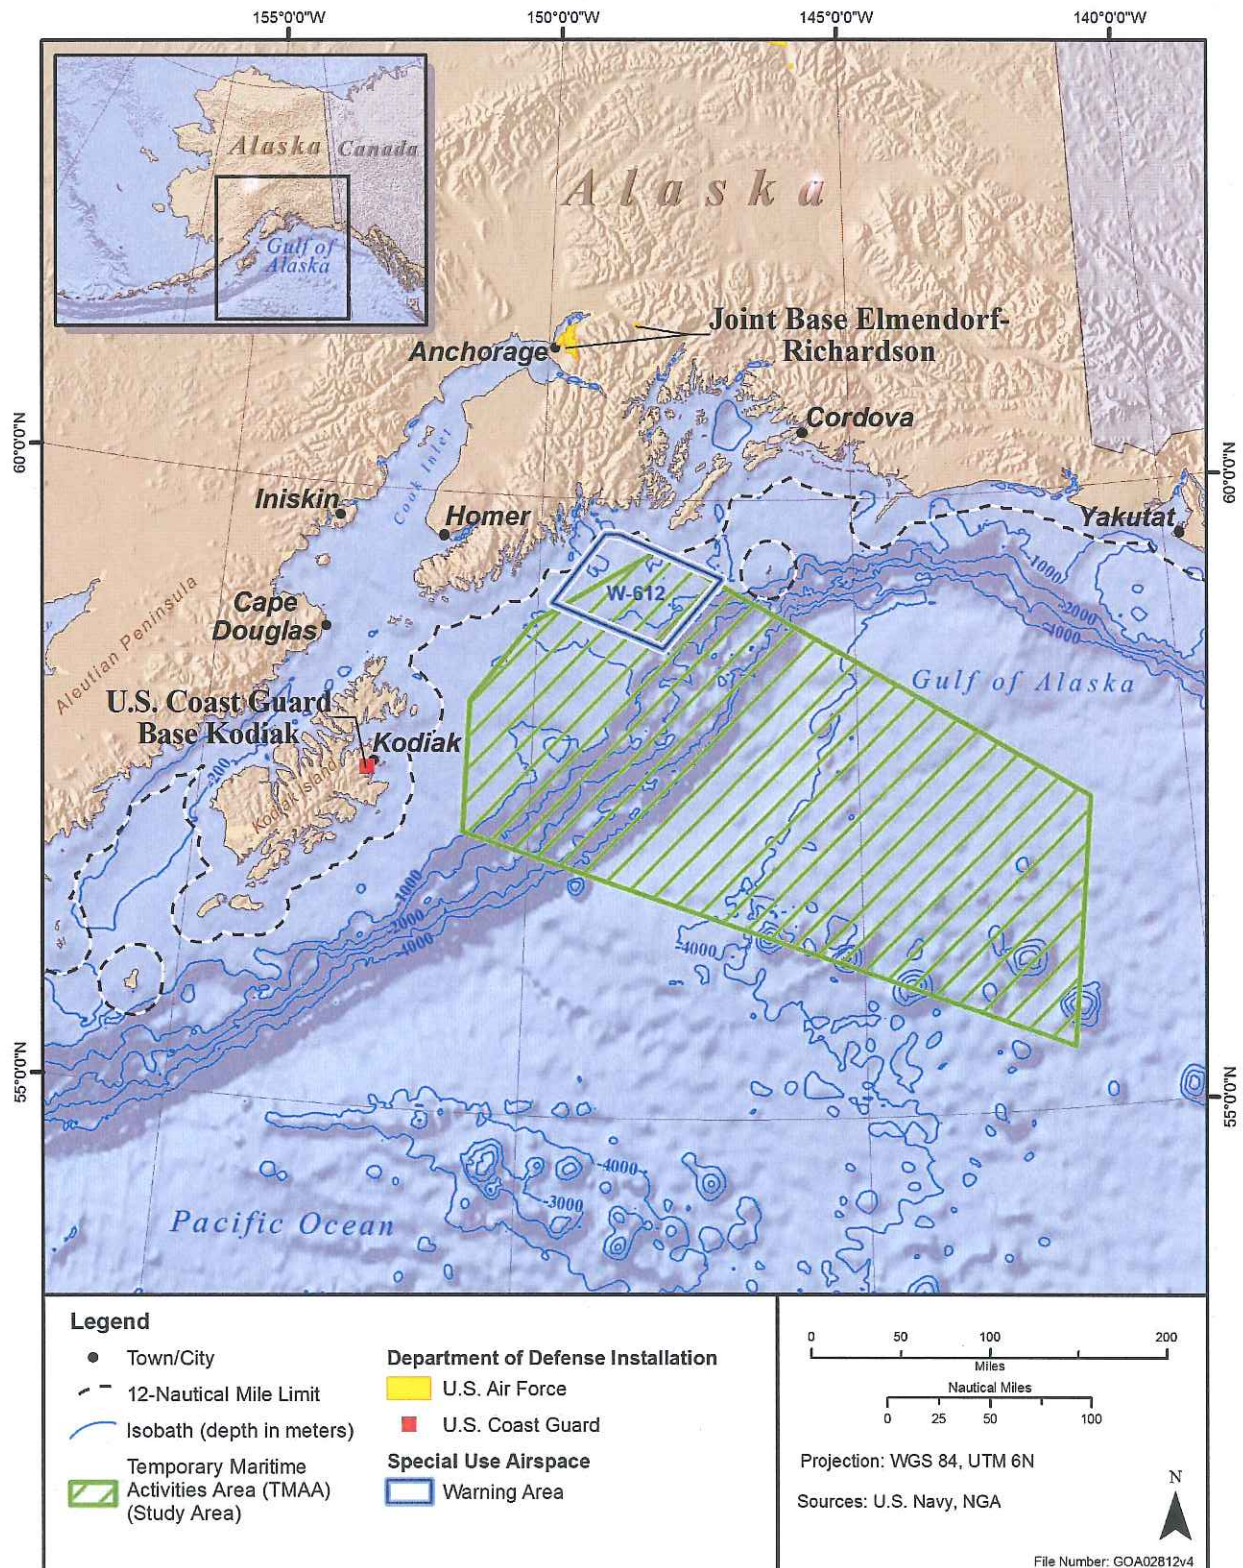

Photo: © Bob Martinson

## Protest Northern Edge

- June 2015 the US Navy is going to conduct military training activities in the Gulf of Alaska to "achieve and maintain readiness."
- Exercises are planned during the most prolific breeding and migratory periods of the marine supported life in the region including all five species of salmon, whales, birds and more;
- Commercial fishing is largest employer in Alaska, supporting 80,000 jobs;
- The Gulf of Alaska, is home to Alaska's most diverse population of Indigenous Peoples who rely on its bounties for subsistence, commercial and traditional hunting and gathering activities;
- These "war games" use high-frequency and mid-frequency sonar and a wide variety of live weapons and explosives;
- No plans for mitigation – no clean up, ever;
- Military training exercises have been conducted in the GOA intermittently for the last 30 years, BUT those proposed in the current EIS are a massive increase (e.g. a 6,500% increase in torpedoes);
- Long-term risks: damage to habitat, exposure to hazardous chemical by-products and the bioaccumulation of hazardous chemicals that can be assimilated into the food chain;
- Northern Edge threatens the cultural freedoms and economic livelihoods of Indigenous peoples that depend on these animals today and have for thousands of years;
- Trainings will take place in areas that include Essential Fish Habitat;
- The proposed activities in the Temporary Marine Activities Area have the potential to result in the following impacts:
  - Physical disruption of habitat;
  - Physical destruction or adverse modification of benthic habitats;
  - Alteration of water or sediment quality from expended material or discharge;
  - Cumulative impact.

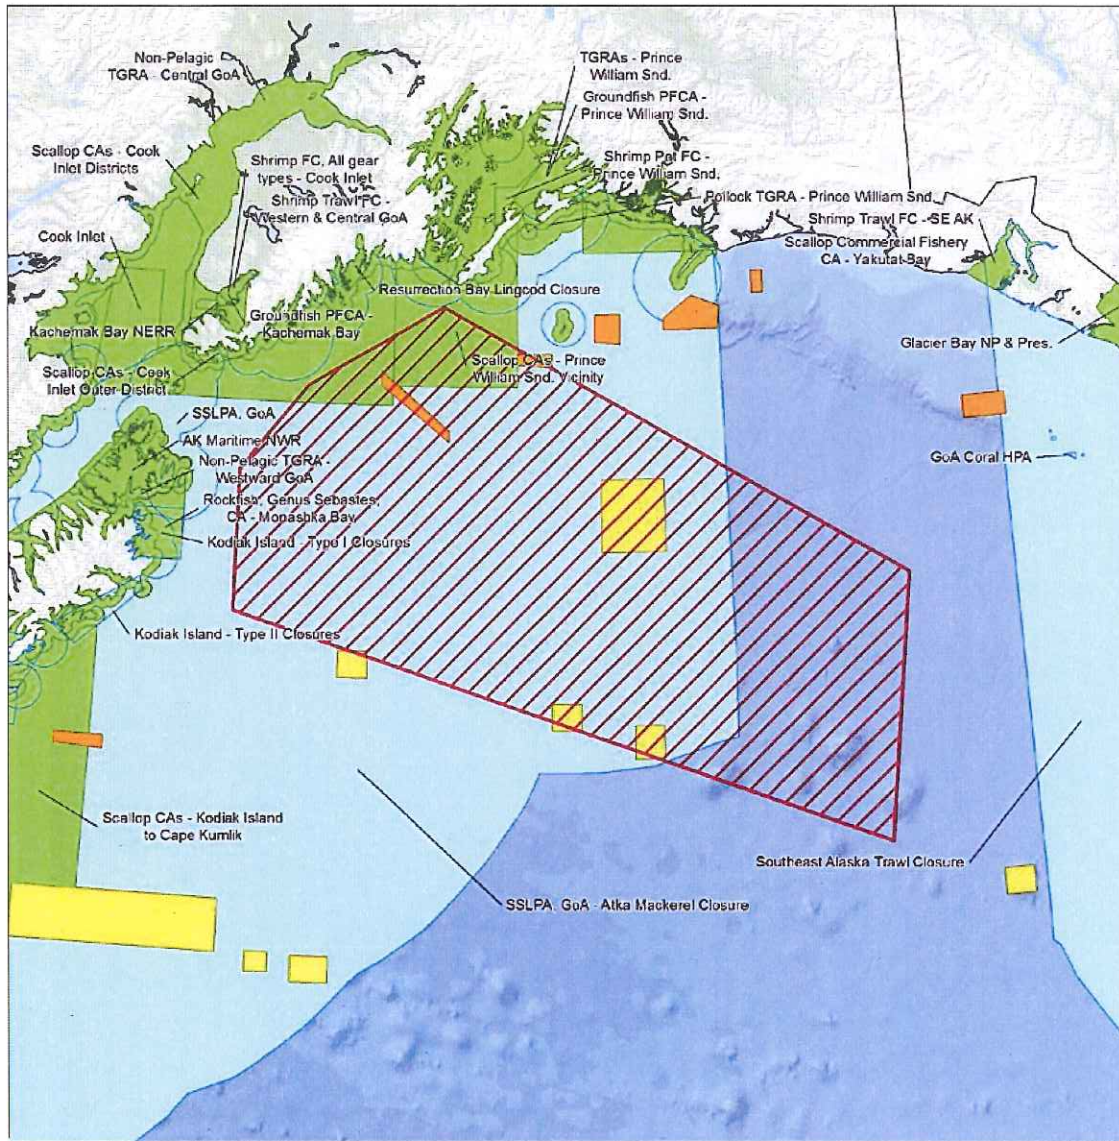

Photo: © Carol Hoover

It is up to the public to speak up and stop these training activities in the Gulf of Alaska. Letters should be written to the Alaska State legislature and to the U.S. Navy. Letter drafts and forwarding can be found at: [eyakpreservationcouncil.org](http://eyakpreservationcouncil.org)

## NOAA Fisheries Invites

*Members of the Tour Industry and Other Ocean Users to a*

### Large Whale Entanglement First Responder Training

Friday, August 14, 2015

5-8 pm

Pioneer Igloo, Cordova

Courtesy of S. Lewis/NOAA MMHSP (permit # 932-1905)

NOAA Fisheries is offering large whale entanglement first response training to tour operators, agency personnel, and other interested parties to learn about whale entanglement and response in Prince William Sound, Alaska.

This classroom-based training will focus on:

- Review of past cases and response efforts
- How we cut a 40-ton whale free (tool show & tell!)
- Why we cannot respond to every animal
- Our ultimate goal of gaining information to reduce impact
- Important role that the tour industry plays in safely supporting disentanglement efforts

The foundation of responding to entangled whales is the on-water community who report and verify incidents, provide assessment and documentation, assist in monitoring, and often stand by the animal at a safe distance (100 yards) until help arrives. The support of vessel operators is critical. Successful disentanglements have usually only occurred when a strong community-based network has worked closely with experienced whale disentangers.

We look forward to your participation!

U.S. Department of Commerce | National Oceanic and Atmospheric Administration | National Marine Fisheries Service

**Cc:** Lisa@ctcak.net  
**Subject:** Re: 27mile Tower\_anamometers installed at 50m

Thanks Casey, hope this all works out for you.

Lisa, I think we should develop an invoice for what Casey is doing so we can track this expense as a donation to the NVE for audit purposes.

thanks,  
pk

Thanks, Kelly.

Wind conditions at 27mile were formidable last week. I was able to install our sensor equipment on the Mt. Eyak Tower (see photos). If you have any comments would like more information on the installs, please let me know. Hopefully, I can suit up more appropriately and get some loggers installed on 27mile tower before our next big snow.

Also, everyone at CTC was extremely helpful and accommodating in your absence. Thanks again.

Welcome back,

REDACTED - FOR PUBLIC INSPECTION

Cordova Telephone Cooperative, Inc. hereby certifies pursuant to 47 CFR 54.313(f)(1)(i) that it is taking all reasonable steps to provide, upon reasonable request, broadband service at actual speeds of at least 4 mbps downstream and 1 mbps upstream, with latency suitable for real-time applications, including Voice over Internet Protocol, and usage capacity that is reasonably comparable to comparable offerings in urban areas, and that requests for such service are met within a reasonable time frame.

Cordova Telephone Cooperative, Inc. did not begin providing broadband service to any community anchor institutions during 2015. The Company had previously provided broadband service meeting the Commission's public interest obligation standards to all community anchor institutions in its study area and, to the company's knowledge, no new community anchor institutions began operating in the Company's study area during 2015.
